

Restaurant Review by Peter Wells

**Gemisant - Moraira**

This was the first meeting of the U3A dining out “A” group and 14 of us met at this well known restaurant about one Km from the town on the Caple coast road.

The restaurant is beautifully appointed with very attentive staff. Seating is both inside and outside on the roadside terrace. We sat inside and chose from the six “menus del dia” varying in price around 17 euros. Everyone enjoyed their meals regardless of which menu they chose. Quality, portion size and service were excellent as usual.

The ambiance and location very good and it was hard to find fault except that it did get rather hot inside as the a/c did not seem to be on.

Nearly everyone in the group had been before and were delighted to be back again. A good choice for our first outing.

Cost per person 18€ - 3 courses and house wine etc

Conclusion – great, predictable quality and value.

Food quality	9/10
