

U3A Wine Tasting November 2009

U3A Alternative Pre Christmas Wine Tasting Saturday 28 November

A special tasting of wines supplied by Julián Ramón Ramón, who represents a number of bodegas in the La Mancha province took place at MAPA Club, Benitachell. A total of 8 wines were tasted, included a fine cava from La Mancha. Most of the wines sold at direct trade prices were around €2.00 per bottle, with an exceptional red and the cava just over our normal €3.00 limit. The wines were very well received, with Julián taking a considerable number of orders for future delivery. All tasters were given a copy of the wine list and prices, and if anyone wants to repeat orders or make initial orders, please contact Julián directly on jramon99@hotmail.com.

In addition to a number of emails, one lady taster phoned to say that she had received her wines as arranged and commented that Julián was particularly helpful. We do know that Julián was unable to deliver the large number of orders on the same, but all deliveries should be complete by now. If not, please contact Julian directly.

Our next meeting will be held on Wednesday 10th February at the MAPA Club, 5-7pm. We will revert to our normal format of tasting six wines. Confirmation of this tasting will be sent out at the end of January 2010.
