## How To Find Finca Jacaranda

The coastal motorway, the E-15/A7, for some reason in Valencia Province is also known as A70 & AP7 - this is all the same road. From Alicante Airport it is the A70 until the toll gate. Take a card as you enter and put the card in the machine for payment when you leave the toll section at J63. At J63, when you leave the motorway TURN OFF YOUR TOM-TOM, THE ROADS YOU ARE USING ARE NOT ON THE MAP.

From Alicante (El Altet Airport)

Take the motorway signs to Valencia/Benidorm/Barcelona.

Leave E-15/AP7 at junction 63, Benissa/Teulada, take the N332, direction Alicante, Calpe. Almost as soon as you join this road take the 3rd turning off the roundabout, "Pla de Bonaire". At the top of this short hill turn left, (this is the CV7470), follow signs to Moraira/Calpe and turn right then left. This is the CV745 keep on this road, after about a minute you will see Perles Mini-Market at a junction on your left, stay on the CV745. After 2 minutes you will see the Restaurant Bar Pedramala on your left, just after this take the CV7471 on your right, to Pedramala.

About 40 seconds later take a narrow slope on the right, next to some rubbish / recycling containers; you will see various signs, Granja Escuela, Finca Montana, La Huerta, Jacaranda etc. We are 2 minutes down here, past about 10 houses spaced out along this road, eventually you will see a new stone wall in front of you and some of the house names are repeated, turn left at the junction. Our gate is about 50M further down the hill on your right.

Maximum travel time is 10 minutes, after leaving J63 turnoff.

From Calpe

Take the CV746 direction Moraira, this is the only dual carriageway. At the final roundabout, with access to two large super markets CONSUM and MERCADONA, take the second exit signed to Granja Escuela, La Ermita de St. Juan, La Barbacoa, Imperial Park etc. At the top of this road turn left at the roundabout, then shortly after turn right at the 'T' junction. When this road merges at a wide junction turn sharp left. Just keep on the 'bigger' road, following these signs. When you get to La Ermita follow the Granja Escuela signs. Just before you get there, there is a large red house on your right, the Granja Escuela is on your left. Carry on along the narrow road. After about a minute on the left hand side you will see some metal gates and the start of our wall; continue along the road until you come to the next set of gates, behind the stone wall, that's us!

Maximum travel time from centre of Calpe is 15 minutes.

N.B. From Benissa & Calpe there are many signs for the Granja Escuela, always follow these, we are close to it.
