

## REVIEW OF CASA JUAN RESTAURANT

Thirty members of the Dining Group ate at Casa Juan on April 4 2011. It is on the Moraira Calpe road near the big Pepe la Sal next to Bar Ambiente. It's big attraction is the singing chef – luckily he cooks first, sings later!

The food overall was ok but no more than that, let down by overcooked stone cold vegetables. Normal menu del dia price is 19.50€, for three courses, bread and alioli and wine. (We had a small group discount) The real winner was the steak which was delicious and barbecued to perfection. The entertainment, singing chef and two other guitarists, was very enjoyable. It made a pleasant change to have a mariachi band playing without the usual 'two songs in your face, demand money and move on to next victim' routine!

Overall rating  
Atmosphere 8/10  
Food 6/10 except the steak 10/10  
Entertainment 9/10  
Wine 9/10
