

OPTIONS RESTAURANT 18 JANUARY 2011

Review by Robin Woods

29 diners from Group B

The location of the restaurant was superb, and plenty of parking space, very close to Options.

A 3 course dinner with house wine 16 euros. Reasonable choice of starters, main courses and deserts. A shortened menu specially prepared for us at a very reasonable price.

Clean modern restaurant.

Service was a little slow, but food superbly cooked by a high class chef, perhaps a little bread and ali oli would have been good to keep us going.
