

Teulada-Moraira U3A - Film Group

Aim

The aim of the Film Group is to show English language films to members of the Teulada-Moraira U3A, on a monthly basis (*usually, the second Monday of each month, at 6:00 pm start*) in the Senieta, Moraira - Salón de Actos, during the winter season (Oct – May). Films will be chosen by members of the group from own stock and by purchase, and titles will reflect entertainment value, special interest and awards given.

The early timing is to complete the film within the opening hours, but as a suggestion, it also allows time for dinner afterwards, possibly in Moraira?
