

April 2010 Newsletter

Hi I am Andy Keen the group leader of the Moraira / Teulada Wednesday Petanque Group 1. I am very aware that there are quite a few members that are keen to join the Petanque Groups. As you probably know there are two full Petanque groups already, and these have been full for quite some time.

In an effort to enable all those persons on any Petanque waiting lists the chance to play (Wednesday group 1 & Thursday group 2), I am suggesting that we start up a 3rd Petanque group.

I intend to poll all those people on the waiting lists to see what day would be preferable and also whether mornings or afternoons are preferred. Then as a democracy, the majority of members preferences will be the day the new group 3 will meet and play.

However I needs a person to come forward who is on the waiting list, who is prepared for me to work with them and teach them how the game is played along with the rules etc., if necessary, I am also happy to help the new leader of the new group 3 set up the group as I did with the Thursday group leader.

A venue will need to be found as the current courts are becoming over subscribed but I can suggest a few venues.

I would like to ask all those persons who are interested in joining a new Petanque group to let me know the following:-

Your name (as email address does not always identify you)

Your email and telephone numbers.

The **days** of the week you are available to play and the **times of day** you can play.

Your indication if you are interested in becoming the group 3 leader and run the new group.

If nobody comes forward who is willing to run the group it will not get off the ground, it is a great game and new friends can be made very easily once a group has been formed.

Please contact me if you feels you would like to discuss the leaders role, or to find out more, I would be happy to talk it over with you.

I can be contacted on 965050229 or emailed via the web site link at group-petanque1@u3amoraira-teulada.org

I look forward to hearing from you.

Best Regards

Andy Keen
