

Moraira - Javea Mahjong Match July 2010

Members of the Moraira U3A Mahjong group hosted members from Javea U3A at a Cava reception followed by lunch at Rte Shang-Hai in Moraira during the summer. We ended a very convivial afternoon by even playing a few games of Mahjong!

Mama-Jan and Henry greeted us as we arrived at 1pm. They prepared the tables for lunch whilst we chatted on the patio over a couple of glasses of Cava and had the obligatory photograph taken.

The menu del dia including wine was followed by coffee, and we then used their other dining room where the tables were ready for us to play Mahjong.

Calling the event a match stretches the meaning slightly! but a very pleasant afternoon was spent with new acquaintances and old friends.

Although we did attempt to get serious and score, we were having too much fun to worry about the outcome. However, for the record, a small prize had been donated

for the overall highest score of the afternoon. This was won by Alan Buchanan (yellow T-shirt) a member of the Moraira team!

This was the fourth time the groups had met socially and it was nice to see a different person win the prize for the highest score on each occasion - and we look forward to a return match hosted by Javea group later in the year.
